

Dear Nomination Committee

I would like to nominate Greg Faydock.

Greg came to the Cadets Organization in 1996 to become the Cadets Food Truck Manager, and continued until 2003. At that time I was a staff member. Up until that point, the food truck had been mostly run by volunteers. They did a good job, but feeding 175 people, 4 meals a day over the course of 3 months was not an easy task. It was time for the Cadets to step it up and the director had hired Greg.

Greg had come from the Blue Devils. We always believed that they were fed very well but we were not sure what to expect when he arrived. If my memory serves me correctly, he arrived at spring training. There was an immediate difference to what the members of the drum corps were being served and Greg immediately became part of the Maroon and Gold family.

Greg cared very deeply about the members and made sure that they were always full. If he knew that someone didn't like something that was being served he would make sure there was something for them to eat. There were always vegetarian options for our vegetarians. And it was good! He worked tirelessly day in and day out for 8 years.

Greg is no longer with us, but Greg was an integral part of the team and deserves to be a part of the Hall of Fame.

Christine Tetzlaff

Cadet Member - 87' - 89', 91', 92'

Cadet Staff Member - 93' - 99'

Director of Operations, YEA! - 00' - 04'
