Cadets Hall of Fame Committee,

Please accept this letter of support for Judy Tomko Ulchinsky. Judy was a Cadet from 1969-1971. This was a time of transition for the corps. Judy was a leader and an exemplary Cadet.

Judy took what she learned as a Cadet into her adult life in the marching arts. Judy was an excellent judge for DCI, WGI in her years mentoring staff and members. Judy also worked for YEA and US Bands.

Judy tirelessly worked to help the organization raise monies for the Cadets for little to no money. Judy assisted putting trophies together, writing judges training manuals, doing anything needed to help the Cadets. This was more a love for the Cadets than a job for her.

Judy continues to support to corps for all shows, events, and fundraisers.
