RE: Support letter of Eric Sabach to the Cadets Hall of Fame

Please accept this letter of support for the nomination of Eric Sabach for induction into the Contemporary Category of the Cadets Hall of Fame. Eric was a dedicated member of the baritone section in the early 80s. He marched in the Garfield Cadets from 1981-1984 and was an integral part of the Championships in 1983 and 1984. Even though he moved on to teaching, directing, and working in administrative positions for other organizations he has continued to support the Cadets.

Eric's professional career has never taken him far from the activity and through his professional contacts he has helped satisfy needs of the corps throughout the years. This was in addition to supporting the corps through financial donations.

Eric continues to share knowledge gained as a member of the Cadets as a well-respected adjudicator. He has been an adjudicator for DCI, DCA, BOA, ISSMA, TriState Judges Circuit, and Texas Color Guard Association.

He has never been one to run away from adversity. That is why he dove in headfirst when the organization had a need for new board members. Some may say disagree with his steadfast but true ways, but I believe that he wants everyone to feel the same passion that he feels for the growth, success, and longevity of organization.

It is for these reasons that I support the nomination of Eric Sabach as a Hall of Fame member of the Class of 2022.

Sincerely,

Cheryl Philhower-Gillick
