

I would like to nominate my brother, Jim (JP) Cardaneo to the Cadets Hall of Fame.

Jim marched in the Garfield Cadets from 1967 to 1970. He was a Contra Bass player.

Jim joined the staff of the Garfield Cadets in 1973 as a drill instructor and stayed in that position thru 1978. In 1975 and 1976 Jim co-wrote the visual program with John Tokar.

During these years Jim was the total Cadet. The staff even used his van as a staff vehicle.

Jim was a drill instructor for the Hawthorne Caballeros for 1985-1986.

Jim judged with the Metropolitan Association of Adjudicators from 1979-1986, and during that time judged many local and regional WGI competitions.

Jim has been an instructor for many high marching bands and indoor guards from 1979 to the present.

Jim's background is in education from 1971 to his retirement in 2009. During that time he was a high school teacher, a school purchasing agent, an Assistant Business Administrator, and school board secretary.

With this resume, I am proud to nominate Jim Cardaneo, my brother to the Cadets Hall of Fame.

Best regards
Robert (Bob) Cardaneo
