Good evening John,

I would wish to write this letter of support for Jim Cardaneo . He was a true member of the Garfield Csdets through the 60 s and 70 s.

He not only helped instruct drill but also was a mainstay as a staff member. He gave so much of his time with little or no pay to maintain the Cadets competitive nature. He drove hundreds of miles in his own vehicle. This staff van was a famous part of our corps and became known in drum corps circles.

Jim also helped write drill and came up with all kinds of aids in making equipment for the guard . I believe he had a lot to do with the split flags used in 1976 .

Jim was a marching member as well as a big help in managing various aspects of the great Garfield name .

He certainly deserves to be included as a member of the Cadets Hall of Fame.

Respectfully submitted,

Bill Gaeckle
