REPORTING CODE OF CONDUCT VIOLATIONS

Complaint Procedures: If you have a reasonable belief that you or any other person has violated any part of the above policy or has been the victim of harassment or discrimination, you must report the conduct to management promptly, so that, whenever possible, any problem can be remedied at the earliest opportunity. You may, as you believe appropriate under the circumstances, report incidents directly to:

- your supervisor or manager

- your supervisor's or manager's higher up
- a human resources representative
- Chief Operating Officer
- Chief Executive Officer
- Any member of The Cadets Board of Directors

You are not required to first report the incident to your supervisor or manager; you may bypass the chain of command and choose from the above listed positions. Complaints are not required to be in any particular format and may be oral or written.

Investigations: All reports of such conduct will be investigated promptly by the supervisor/manager or individual designated by The Cadets, and will be handled as confidentially as possible, consistent with doing a thorough and complete investigation. Both the complainant and the alleged violator will be interviewed, as well as any witnesses. All The Cadets representatives must cooperate with the investigation. Depending on the complexities of the investigation, all parties involved should be informed of the status of the complaint as promptly as possible, consistent with conducting a thorough investigation. After the investigation, all facts will be presented to and reviewed by the appropriate parties and decision-makers, and appropriate corrective action will be taken. Persons who are found to have violated this policy are subject to disciplinary measures, up to and including termination of their association with The Cadets. Such violations can also result in personal legal and financial liability.

Confidentiality: The Cadets will make every effort to maintain the confidentiality of the complainant, the accused, and the witnesses to the extent possible under the circumstances. The Cadets Cannot promise absolute confidentiality, but pledges to conduct the investigation maintaining confidentiality on a need-to-know basis. Only those who must know about the complaint and the identity of the complainant will be made aware of and have access to such information.

Disciplinary Action: If management finds that the above policy has been violated, proper disciplinary action will be taken. Such actions include, but are not limited to verbal/written reprimand, suspension, and dismissal. The seriousness of the violation, the existence and nature of conduct complaints and/or policy breaches, and the wishes of the accuser, as well as other considerations, will be taken into account when determining disciplinary action. Retaliation against any party involved – the accused, accuser, witnesses, and investigators– will not be tolerated. Persons who violate The Cadets no-retaliation policy will be disciplined or terminated from their association with The Cadets.
