

Letter of Support for John Hannigan

June 29, 2021

Dear Hall of Fame Committee,

I am writing this letter to you in support of the nomination of John Hannigan to the Cadets Hall of Fame.

John led the corps through the very difficult times of the 1970's and beyond with true leadership and friendship that is necessary for success in life. Yes, I am speaking of our corps activity, but it goes well beyond that. As a group we have stayed in touch over fifty years because of John which means so much to us.

There are certain people that can lead others, but John does this everyday with kindness and a skillset that is unparalleled by others. If there is the perfect candidate out there it's John. Please accept my recommendation.

Thank you,

Jack Garda
