I would like to officially nominate Judy Ulchinsky for the 2021 Cadets Hall of Fame.

Judy was the very first female color guard captain when the ladies came to the corps in 1969. Imagine the path she paved for female members that is still traveled on today?

I have known Judy from even before I joined the corps as a marching band judge, then while in the corps as a DCI judge. She has always been a "path paver!" She was also one of the best and most respected visual judges in our activity. A true "homegrown" Cadet doing what Cadets do, "Leaving our world better than the way we found it."

After I aged out, I taught Star of Indiana and later Phantom Regiment and got to know her even more from that side of the table and her love for our activity is certainly unquestionable. So much so, that she even trained me to be a DCI judge!

Judy's career as a school administrator was a gift to our organization. She not only judged for every iteration of what is now called USBands, but she also wrote judges training manuals and policies and procedures too. Her gifts to the organization that went without payment are unmeasurable.

Judy has volunteered in the office for years, often driving more than 90 mins one way for weeks/months at a time to ensure the health of the educational programs that the Cadets delivered.

She shows up for every possible alumni function and donates to everything we do on some level.

In 2019, she was in my company's suite at DCI Finals and I took her down to sing the corps song with the drum corps under the stadium before their Finals show. She cried throughout it, hugged many of the members, then turned to me and said, "WOW! That will be a memory for a lifetime!"

Judy was, is, and (as our corps song says) shall always be... A Cadet.

I have no clue why she is not in the DCI Hall of Fame for her 35+ years of judging experience and service to them.... She certainly deserves to be in the Cadets Hall of Fame for all she has done to keep this organization not only moving forward, but thriving!

I sincerely and emphatically nominate Judy Ulchinsky for the 2021 Cadets Hall of Fame. Please see attached her letters of support.

Stay safe, hug your loved ones and ... Have a great day!
