

I would like to nominate Lawrence "Iggy" Ignaczak to the 'Cadets Hall of Fame Classic category in the Cadets Hall of Fame 2021.

Lawrence, more affectionately known as "Iggy" to all drum corps members and fans, has been ambassador of Cadets moral character for more than 50 years. Iggy's friendly attitude and general caring for all has broke down barriers between corps and created a camaraderie that extended the Cadets character past our own organization and to the entire drum corps family and friends. Iggy can attend a reunion for any drum corps and be accepted with open arms from Drum Corps friends.

Lawrence was a member of the Cadet Plebes from 1968-1970 and graduated to the Garfield cadets in 1971. From 1971 Lawrence has been respected member of the Garfield Cadets until his age out year in 1979. As an accomplished musician Lawrence was a part of the lead soprano line for seven years which included the accomplished horn line DCI placing in 1977 and 1978. Always learning Lawrence encouraged horn line members to attend jazz concerts in our off season to improve our instruction.

When I first Joined Garfield in 1978 ,Iggy was the friendly face . He Made me feel very welcomed, Played a few solos with me in 1978 and 1979... He was a very good soprano player. Larry Marched in The Cadets org. for 11 seasons ! Unheard of today .He is what the Hall of Fame is for . I believe the average Cadet member now marches 2 seasons . Larry Marched 11

Today Lawrence is an esteemed faith based coach that promotes the Cadet character helping his clients create a shift to a healthier mind, body and spirit. His latest Yahoo Finance article released 07Jun2021 promotes the Cadet Alumni morals learned.

Lawrence is a long time resident of our home town Garfield NJ. He is active the Cadet Alumni association and is the glue that holds a large alumni following together that spans throughout our drum corps community. He is at every alumni activity . He attends every Cadets show . He is totally deserving of the Cadets Hall of Fame .
