

THE Cadets

Attn. Hall of Fame Committee

I write to you regarding the possible nomination of Mr Bob Petersen to the Cadets Hall of Fame. I have known Bob for the past 65 years, having played in the competing drum from 1949 till 1954. Bob went on to compete until 1957, winning several National Championships.

He has always displayed a spirit of hard work, dutiful practice and winning, encouraging fellow cadets to perform their best, so typical of our Corps tradition. He continued his proficient skill in the service of our Country and at the same time furthering his musical education. A lifelong excellent rudimental drummer even to his latter years.

It is with great pride and joy I offer my comments as I believe your Hall of Fame will be well served by Bob's membership.

Thank you for your consideration.

Bill Westdyk
